966-4688

Hi Gina,

Well, congratulations you survived all these years of school (hard to believe, huh?!). We know each other quite awhile + soon will be graduating - we have to keep in touch. I still remember the times we went to lunch - I'm gonna miss it. You're a very special, sweet, thoughtful, and well I can go on and on but all of it is so true. You're a really fun person to talk with (learning all about guys and everything!) It was fun in Gina's class (when I'd come to class or weren't sleeping.) It's going to be such a blast on grad night! (shouting all those guys) I hope I see you then. Boy, we have to keep in touch (honestly) - Give me a call sometime o.k. (332-7404) And I'll try give you a call too. You have so much going for you - I'm sure you succeed in anything you choose to do. Be happy + take care.
Love

P.S. I never got a chance to tell you but you always dress so nice - I love your clothes!

Gas Lopham.

Jeff A. Crocco

Try to keep in touch, I mean you better keep in touch, 914-3665 well I will talk to you when you call me. Stay sweet + nice and don't become a brat o.k.? Well I better go now, I would rather talk to you in person than write.

P.S.

Dina,

I'm really glad we had

I wish you the best of
luck with school, work,
or housewife or all. I'm

phone # so you can

Dina,

We didn't get the chance to associate with
each other that we had a couple of years ago in
Lad's art class. You are a really nice person &
I've enjoyed being your friend. I especially enjoyed
some of your sarcastic humor.
Good luck in the future &
I hope we can see each other
around. Call me if you have
a chance. 966-3021. I'll keep
waiting at the VW.

Love, Jeanelle Coleman

Gina,
It's hard to believe
it's all over isn't it.
Just think, we're out on
our own. I don't know what
I'm going to do after school but
I hope you have all your plans
probably be married in a few years, you'll
ten kids to feed. Good luck! Oh
well time to say good bye, it's been
real fun being friends with you.
I hope you have a great life

What a relief! Thank you

saved me. Take care of
yourself and keep in

As each dawn arises
There is a fresh, new memory made.

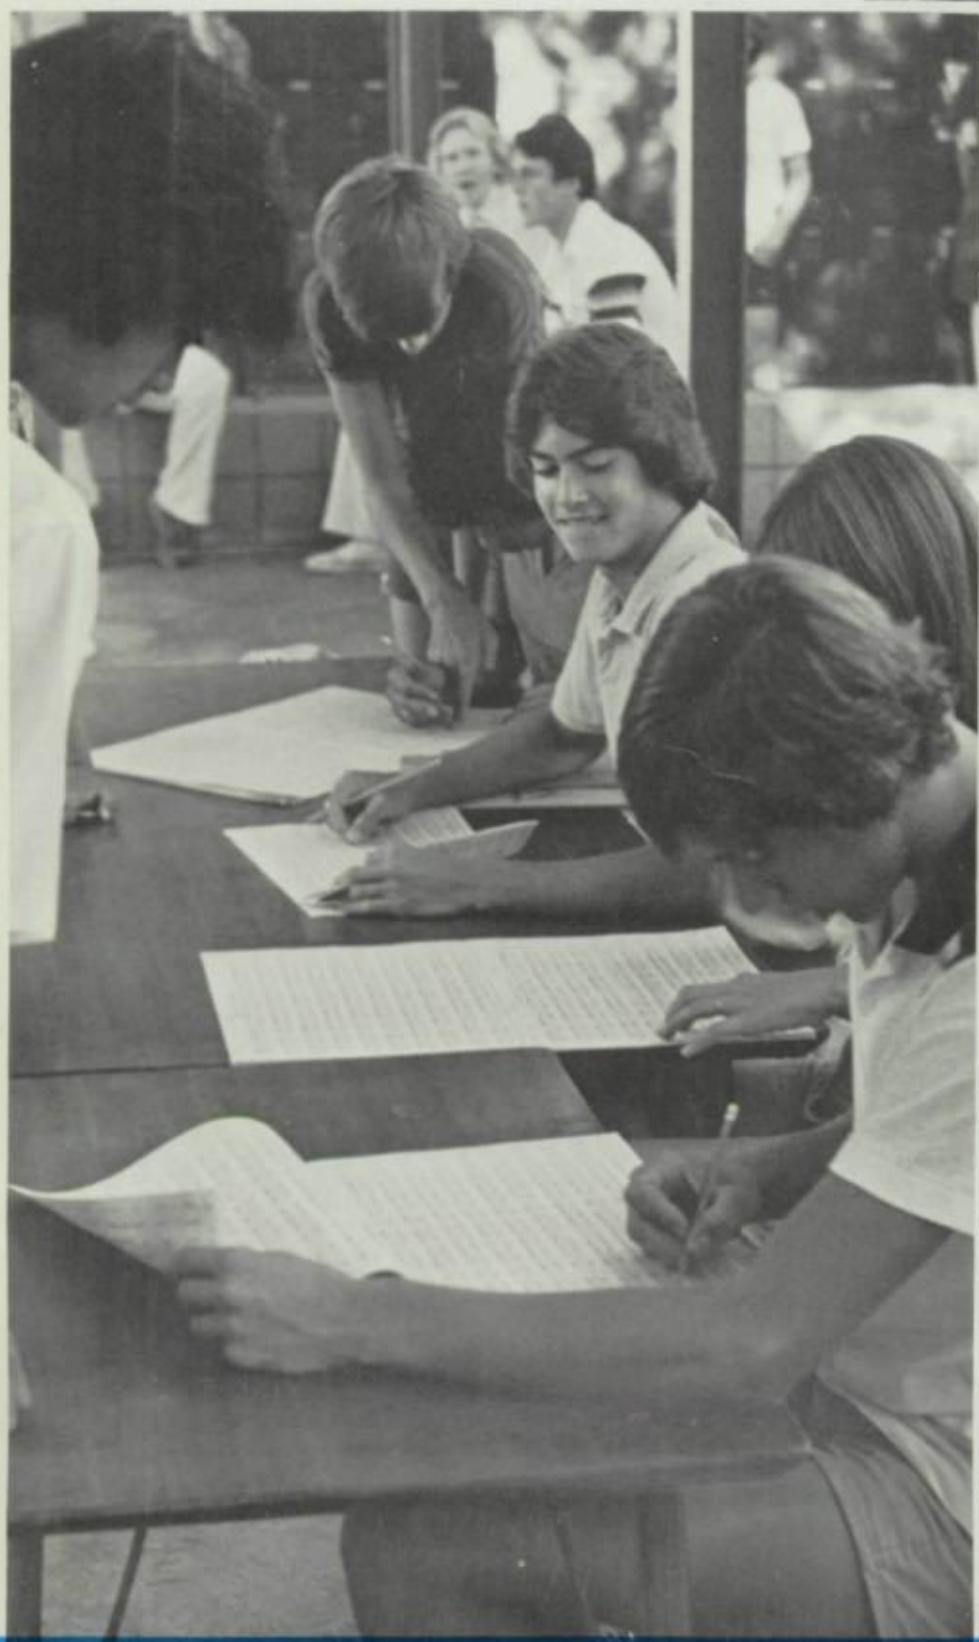

As each dusk falls upon us
A passing memory fades.

But we may look back on those days
To keep the memories alive.

Never to forget the fun with friends
Good friends time will not divide

This lasting memento
Has the year bound together

For all to see their friends again
In a picture that lasts forever

Registration

Even before the lazy days of summer have ended, we are abruptly reminded of school. Around the first week in September, all ROHS students receive a letter in the mail about school registration. Sent with R. A. Duvanich's formula for a successful school year, the student is informed of the days that registration will be held. He must show up on one of these days between 8 A.M. and 3 P.M. to fill out certain forms and pick up his program of classes.

Of course, the forms must be filled out in triplicate; and after waiting in line for what seems ages, the student never gets the classes he really wanted. But, nevertheless, all students, freshman through juniors, must register. Only seniors escape registration. No wonder everyone wants to be a senior.

Class Elections

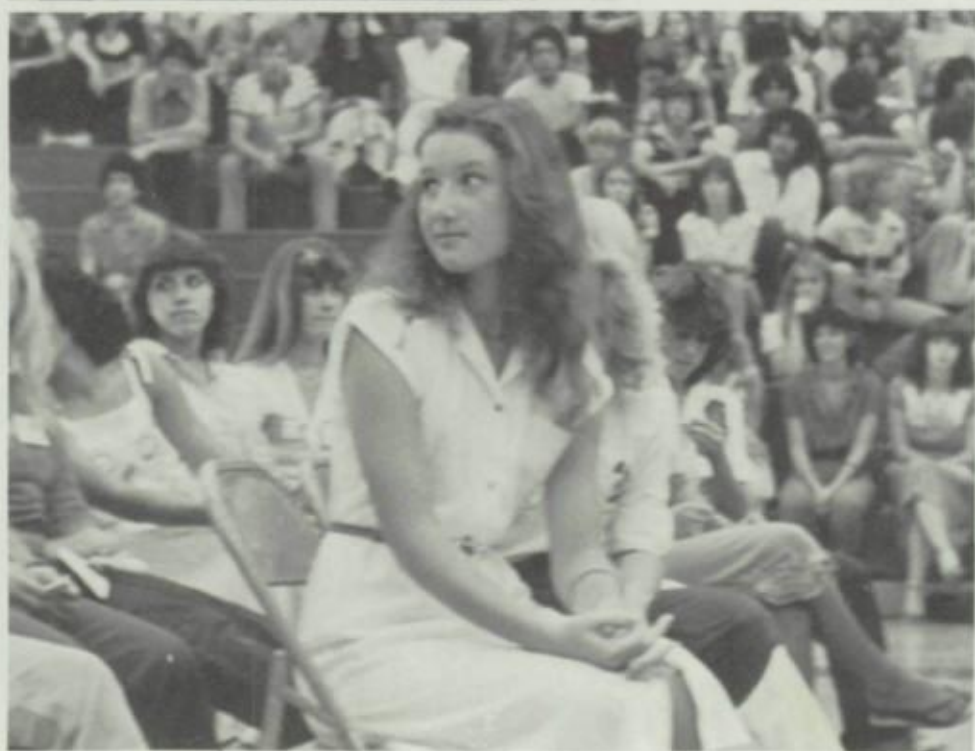

During the first few weeks of school, elections for places in student government are held.

Freshmen, Sophomores, Juniors, and Seniors campaign against fellow students for leadership positions in their classes.

The day before election, all the candidates are announced at an assembly. The candidates for ASB president give speeches on their intentions.

On election day, students have an opportunity to cast a vote for the candidate of their choice privately in a small booth. The winners assume their office immediately and Royal Oak has begun another year of student government.

Welcome Back Al

The highlight of this year's Homecoming game between Royal Oak and Charter Oak was the crowning of Kelly Kramer by last year's queen Alicia Garcia. Royal Oak overwhelmingly beat Charter Oak with a score of 42-0.

Following the game at MSAC was the Homecoming Dance featuring the band *Heaven*. The evening was spent dancing and enjoying refreshments. Dance preparations were done by the Lauretions Club.

"Light! Camera! Action!" should have been the cry when Billy Barty's Hollywood Shorties challenged the Royal Oak Booster Club members to a game of basketball on November 1st in the Royal Oak gym.

But the Shorties beat the Boosters 60 to 34. In the first period the alumni of Royal Oak were pushed aside while the Shorties piled up a sizeable lead. The male staff of Royal Oak played during the second period, which allowed the Shorties to increase their lead even more. Then the women of the Boosters attempted their sly tactics in the third period, only to allow more points to stack up in the Shorties' favor. When things really started looking bad, the fourth period came and so did the men of the Boosters Club. And things just got worse.

The Shorties provided the crowd and players with many laughs. It was a night to remember (actually, hard to forget) and a great deal of fun!

1980 - 1981 Christmas Ball

The 1980 Christmas Ball was held at California Plaza in Buena Park on the night of December 12. The outdoor area provided was spacious and nicely decorated. It was a night to be remembered with a band called *Harmony* and a court of four lovely girls: Laurie Bal, Lisa De Pasquale, Jenny Van-Frank, and Terese Whalin. The highlight of the evening came when last year's queen, Jackie Dugas, crowned the 1980 Christmas Ball queen, Cathy Belles.

ALL THAT JAZZ

Dance, just saying the word makes my heart race. The amount of time and effort that is required from a dedicated student is immeasurable. There are practices that never seem to end, muscles that never quit aching; yet still, deep down in my heart I have that unquenchable desire to perform.

How can one explain the desire to perform? For me it seems to be something that burns in my heart. "To dance, to dream" - that cliché seems to suit me because when I dance, I do dream. I dream that the whole world is interested in what I am doing. Hundreds of eyes are watching every movement—every minor mistake. What a thrill it is to have the audience totally captivated, even for only a moment.

But yet there are times when I never want to practice another dance step. The pain seems unbearable. Every muscle seems to be fighting and screaming, pleading for the torture to stop. The arguing and frayed nerves seem to multiply with every on-going moment. At times I just want to give up.

But finally the show night arrives and all of our combined efforts seem to be worthwhile. The excitement is regenerated and the bad times are quickly forgotten. Lights, music, the audience and my racing heart take me once again into my dream world on stage. That burning desire has been sparked back to life. How wonderful it is to perform!

by Kelly Kramer

Dance at Royal Oak is more than just an escape from the "normal" P.E. routine. It has become a very popular sport in recent years. Many students sign up for dance under the impression that it is a cinch and a "kick-back" class. *They* eventually drop the class.

The art of dance is not merely a group of people running frantically about in their underwear; it involves much exercise, preciseness of movement, and hour upon hour of intense practice.

Each year RO performs a Dance Show in May under the direction of Mrs. Rebecca Baker. In addition, this year the advanced and intermediate classes presented a fall show with the aid of Brea Olinda High School and Cal. Poly. University. The show was entitled "All That Jazz and Then Some . . ."

The Dance Production served a dual purpose: it demonstrated the intense work and resulting art of dance; it gave the spectators a preview of bigger and better things to expect from the spring show.

Car Caravan

The Burger Bash and Car Caravan, sponsored by ASB, was held on October 17th prior to the Homecoming game against our district rivals, Charter Oak. The fun started at 4 o'clock and continued the rest of the evening. In-n-Out provided their excellent burgers for the special event, while entertainment was provided by the Dance Team and Pep Units. Many people attended, and all had a great time and a great meal!

In addition to the food and entertainment, many enjoyed decorating their cars in the parking lot. After the decorations were completed, 10 cars caravanned to Mt. SAC where the game was played.

The spirit generated at the Burger Bash and Car Caravan paid off when Royal Oak defeated Charter Oak 42-0.

Halloween

A nun, Sylvester the Cat, Yoda from Star Wars, and the Unknown Nerdette were just a few of the costumes seen at Royal Oak last October 31, 1980.

On Halloween day at Royal Oak it was not unusual to see ghoulish and comical sights. Many students took great pride in their costumes, thinking up original ideas and spending much time and money on them. Students who dress up look forward to this day because they can let their creative talents show. Students who do not dress up look forward to seeing their friends' ideas and picking out the best costumes.

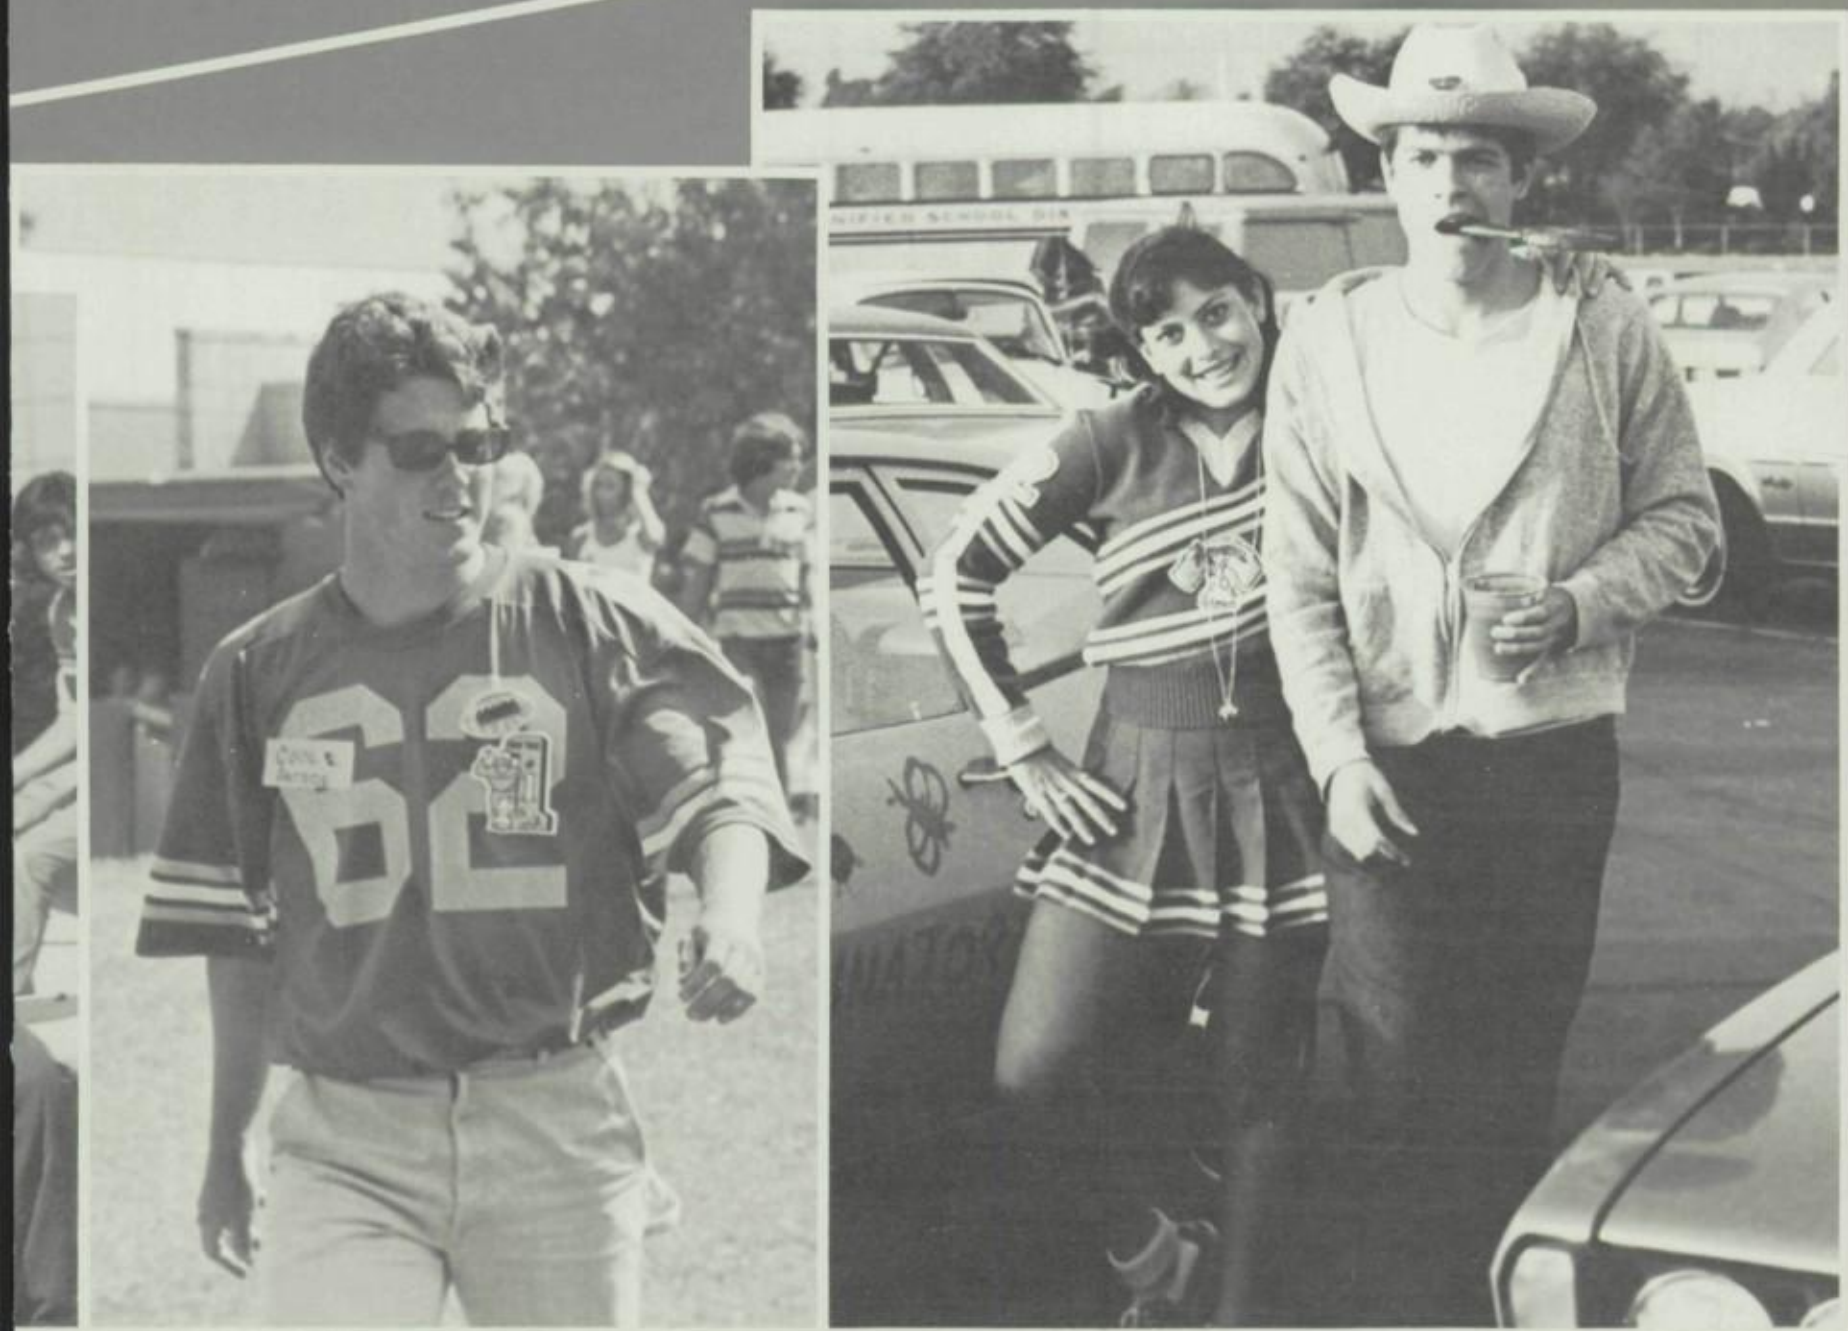

Whether the student is a participant or a spectator, Halloween at Royal Oak is a special event.

Mike Kirsch has been very active in his four years at Royal Oak. A few of his activities have been football, baseball, Centurion, and helping to develop the Hooters. Mike plans to attend college where he will major in mass communications or public relations.

After graduating, Tony Parks plans to take a one year vacation and then attend school. He only has one main career interest which is "to make it big." Tony's main sport is basketball where he is known for his rebounds.

Julie Hanks has been very active in school sports. She has participated in basketball, volleyball, softball, and powderpuff football and has been outstanding in all. Julie plans to attend college and play basketball.

Sue Humphrey's main sport is tennis. She has also participated in many clubs. She plans to attend Cal. Poly and transfer to Azusa Pacific College or Westmont. Sue's interests are tennis and Bible study.

During the 1980 football season RO's football team walked over its opponents. Although the offense did have its lapses during the season, RO out-scored its opponents by 119 points while defense held the opposing offense to an average of one touchdown per game. The Romans' offense was led by CIF leading rusher Bill Stone who carried the ball for over 1,750 yards during the season. In the Montview League RO had both the defensive player of the year, James Gee, and the offensive player of the year, Bill Stone. RO finished its season with a 8-3-1 record.

Football

The Royal Oak Football Team ended its season on a happy note. They fell just seconds short of winning the second round game of the C.I.F. playoffs against St. Joseph High School in Santa Maria.

The football team learned a happy lesson with the sorrow of the loss. They learned that winning isn't the only thing that counts. You can still have fun if you lose. The Romans drove 200 miles on an overnight trip to Santa Maria to play St. Joseph and they did not allow a loss spoil their season and the trip. So after the game they cried a little, laughed a little, and best of all partied together to the *maximum*.

Overall the Romans had a very successful season with a record of 8-3-1. The team really appreciated the super coaching job of Coach Len Mussack and his staff.

Good luck next year Romans. Carry on the great Roman winning tradition.

Frosh - Soph Football

The frosh-soph team did very well this year competing with very tough teams.

"Buster" LaCroix has done a great job rushing with the helpful blocking of Ron Kusyanagi and Bobby Cast. Don Page with Richard DeWitt right behind him has done outstanding in tackles.

They have shutout four teams, with the help of good defensive backs: Marty Hernandez, Geoff Tuthill, Ken Hutchison, and Kelly Townsend, and good receivers: Tom Saggau and Bill Barker.

A new frosh-soph record was set by Edward Green for a 80 yard kick-off return.

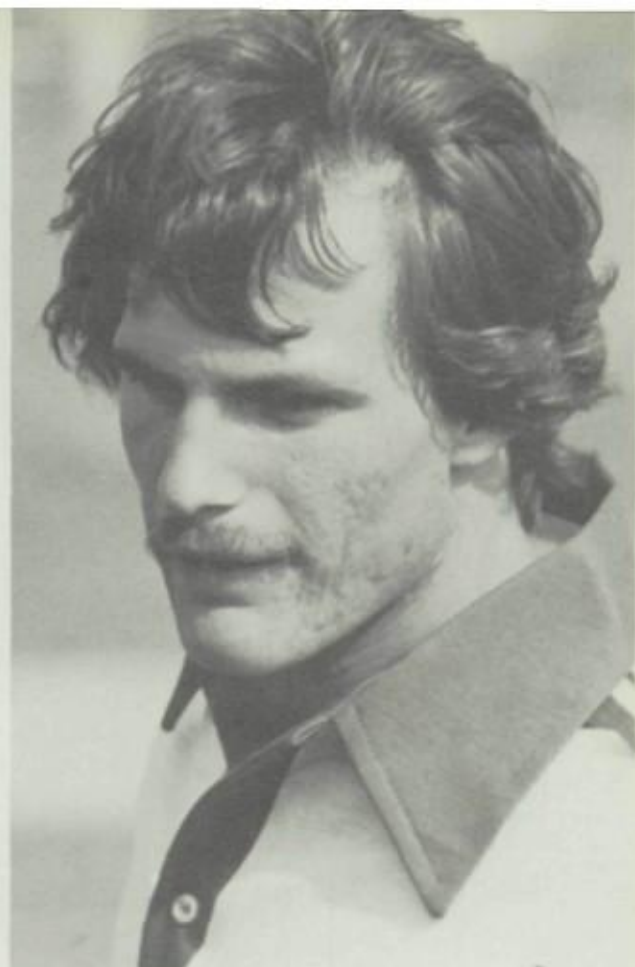

This team is made up of many talented players and should bring much excitement to future years at Royal Oak.

Varsity Volleyball

Although the Varsity Volleyball had a disappointing season, there was never a lack of spirit, aggressiveness, and will to improve. Seniors Julie Hanks and Kim Ennis were a strong part of the team this year, while players such as Ginger Flora, Celine McDavitt, Joann Baker, and Linda Mitchell provide hope for a strong team next year. The new coach, Miss Bailey, feels that there is a lot of potential in all the players and is very optimistic for a good season next year.

J.V. Volleyball

Although they had a tough season, the J.V. Volleyball Team improved tremendously and overcame their lack of experience. The new coach, Kelly Stangenberg, did a great job of breaking in the new players and the aggressive veteran, Colene Ennis, supplied support for the team. New players Betsy Ferrendelli and Pam Scott kept up the team spirit while they also displayed their potential. They hope next year to dominate in their division.

Boys' Track And Field

The 1980-81 Boys Track season opened on Feb. 16 with an enthusiastic and promising team.

Although small in number, natural talent and skill run high in this group of twenty-five young men. Although most are inexperienced freshmen and sophomores, under the relentless whip of Coach Ron Fattal, the group is shaping up into a competitive, well-rounded team.

According to Coach Constantine, the girls worked very hard and he has hopes for a strong team next year.

Girls' Cross Country

The Boys' Cross Country team finished the season with a 1-4 record. The top two runners on the team were seniors, Mike Pierce and Scott Hathaway. Other runners that had a good year were Richard Blaine, Rodney Solgonick, and Mike Hoenig.

The team's greatest asset was spirit. This year's team had a combination of good spirit, leadership, and being supportive of one another. According to Coach Fattal, he found that he could consistently depend upon a competitive team.

Varsity Basketball

Utilizing a fast break philosophy, the Royal Oak High School Boys' Basketball team had an opportunity to make C.I.F. competition for the first time since the 1970's.

Coach Mike Mandala implemented the fast breaking and passing style of play during pre-season practices and scrimmages. The relatively young squad (eight juniors on the varsity squad) gained much needed experience that paid off during the league season.

Coach Mandala employed the fast tempo style of play in response to players' requests. He thought with a full-court press and a fast break Royal Oak would have a successful winning season.

Although they will face new and tougher tams, the Royal Oak Boys' Varsity Tennis team is expected to take the Montview League. Mr. Young is back again to coach the youthful but experienced team led by captains Mark Anderson and Don Bergstedt. Eight of the nine players will return next year to make an even more powerful team during the 1981-82 season.

Junior Varsity Tennis

The Junior Varsity team this year had a good season, winning some, losing some, but mainly gaining the experience they need for bigger and better things - the varsity team.

The Junior Varsity team learned many things such as defensive and offensive tennis or "smart" tennis. Team captains are Mike Montgomery, Kurt Vine, and Kevin Meyer who are also three outstanding players. Returning members are Chuck Greenberg, Mike Sansom, and Kurt Vine.

Top Row: Coach Jim Costello, Mike Sansom, Chuck Greenberg, Rawn Rhoades, Kurt Vine, Kevin Meyer, Jack Profit, Mike Montgomery. Bottom Row: Eric Shaffer, Ron Smith, Tony Paulicano, Chris Gurterrez, Danny Hedric, Bob Kettenhofen, Duane Morris, Eddie Kucharski.

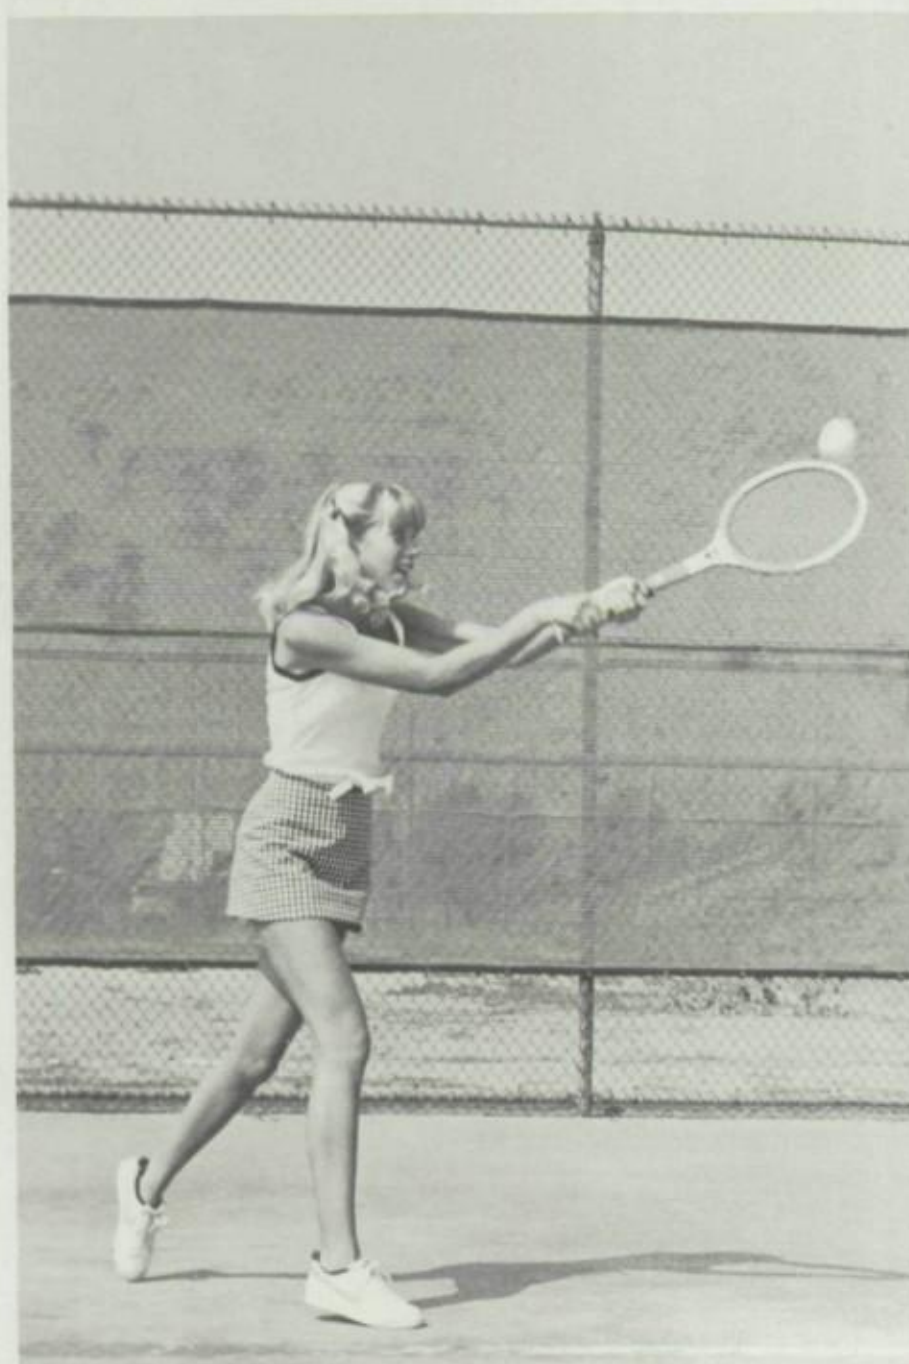

Varsity Tennis

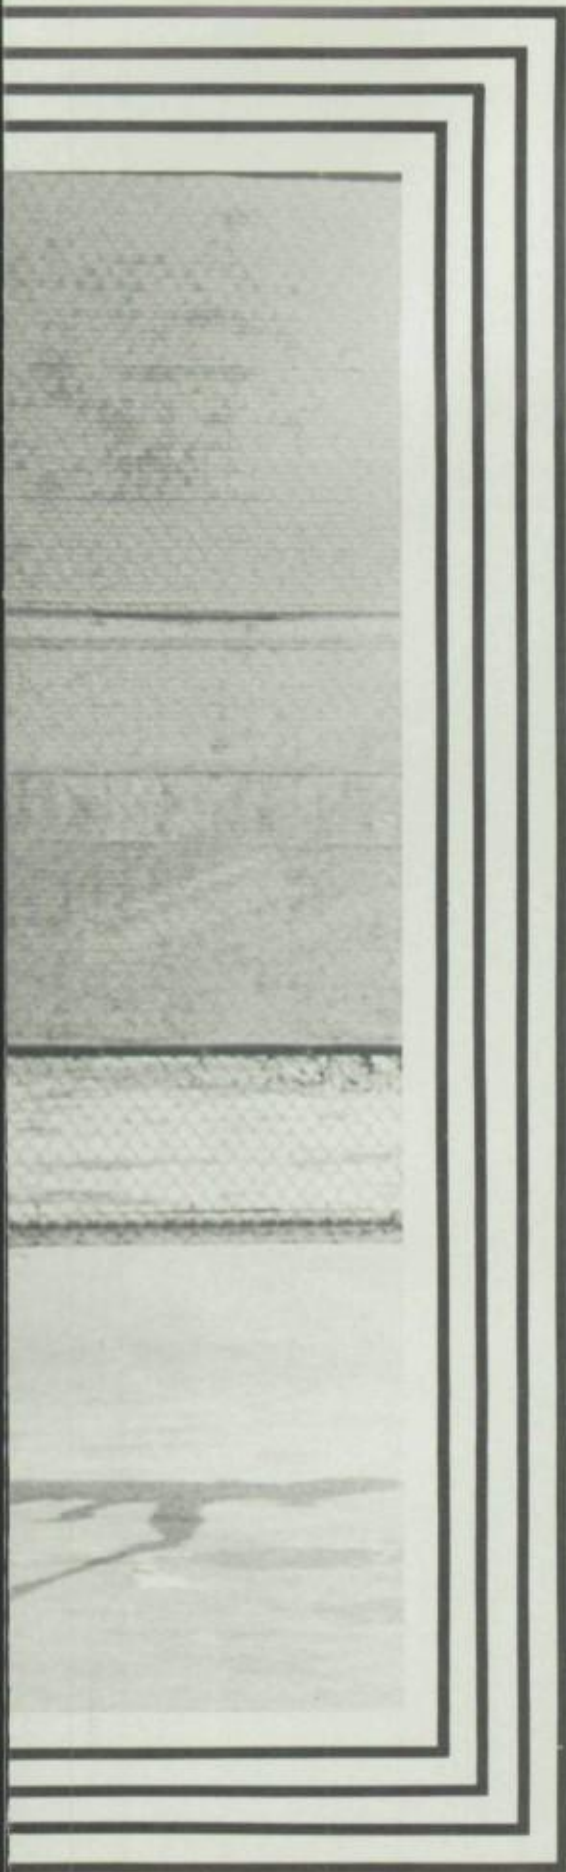

With only four returning players, the Girls' Varsity Tennis team faced a season for re-building. Returning players, Ingrid Ofner, Andrea Ofner, Sue Humphrey, and Nancy Mitchell were joined by first year varsity members Bonnie Bonshire, Wendy Richardson, Romy Fay, Diane Gandy, and Missy O'Neill.

Co-captain Ingrid Ofner moved into the number one singles spot while co-captain Sue Humphrey regained her spot as the number two singles player. Andrea Ofner and Bonnie Bonshire teamed to take the number one doubles spot. Romy Fay and Missy O'Neill made up the number two doubles team but their position was under constant attack from the number three team, Nancy Mitchell and Wendy Richardson.

Coach Jim Costello often belittles his job by saying, "All I have to do is sit there and watch."; but team members look to him for guidance in game strategy and a winning attitude of confidence.

With few losses, the team is anticipating a third straight league championship. This team would also like to finish a job started by last year's team by going to the top in C.I.F. competition.

Coach Wendy Howard

The Junior Varsity tennis team has had a relatively good year. Under the instruction of a new coach, Wendy Howard, the team had a record of 8-2.

Captain Lois Lapham did an excellent job as captain and was also one of the best singles players on the team, while number one doubles team, Louise O'Neill and Jennifer Blakemore lost only one set during the season.

Varsity Baseball

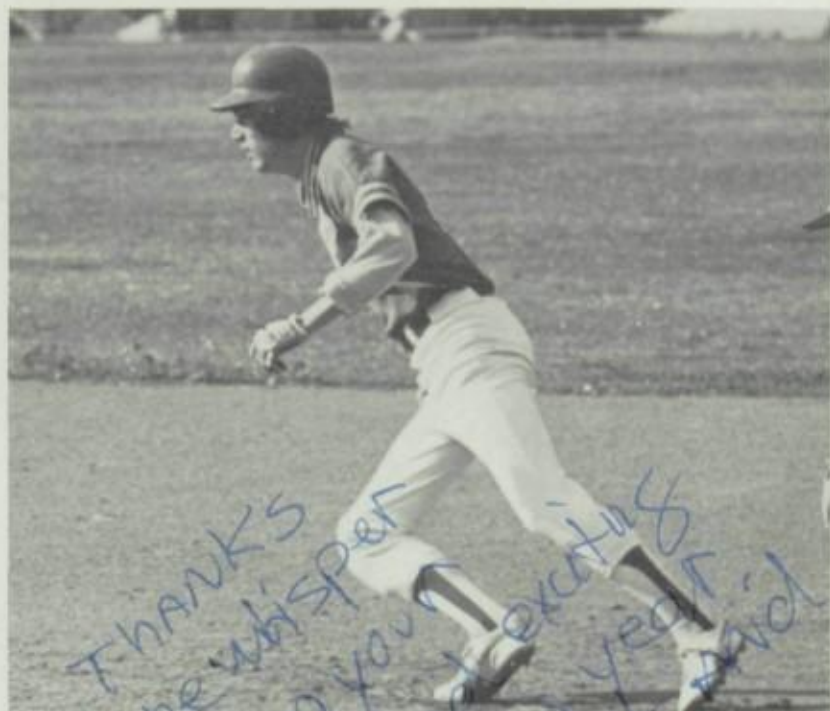

The Varsity Baseball team is expected to do much better this year behind the managing of veteran coach Doug Major and the leadership of the team captains Mike Kirsch, Bob Lorenz, Mike Burns and Andy Piper.

Tough opponents such as Charter Oak and Azusa are going to be right along side the the Romans in their battle for the league championship.

Returning pitchers Steve Mcghghy and Tim McCoy hope to strengthen the Romans' defensive strategy with their fine pitching. Sluggers Rick Mock, Andy Piper, and Mike Kirsch will try to lead the Romans' lumber company with their batting ability.

Varsity Softball

Even before their first practice the 1981 Girls' Softball team knew they had something to look forward to. The eight girls who held the starting positions on the infield and the pitching staff were returning.

The outfield positions were open for competition, and Sandy and Pam Scott, sophomores, won two of those positions.

Mr. Len Mussack took over the coaching job this year. he had not coached a girls' team in 14 years. he told us after three weeks of practice, "... and I didn't know what to expect, but you know, ... I really love you, guys." Everybody shared his feelings, and we all looked forward to sharing the wins he told us we would have.

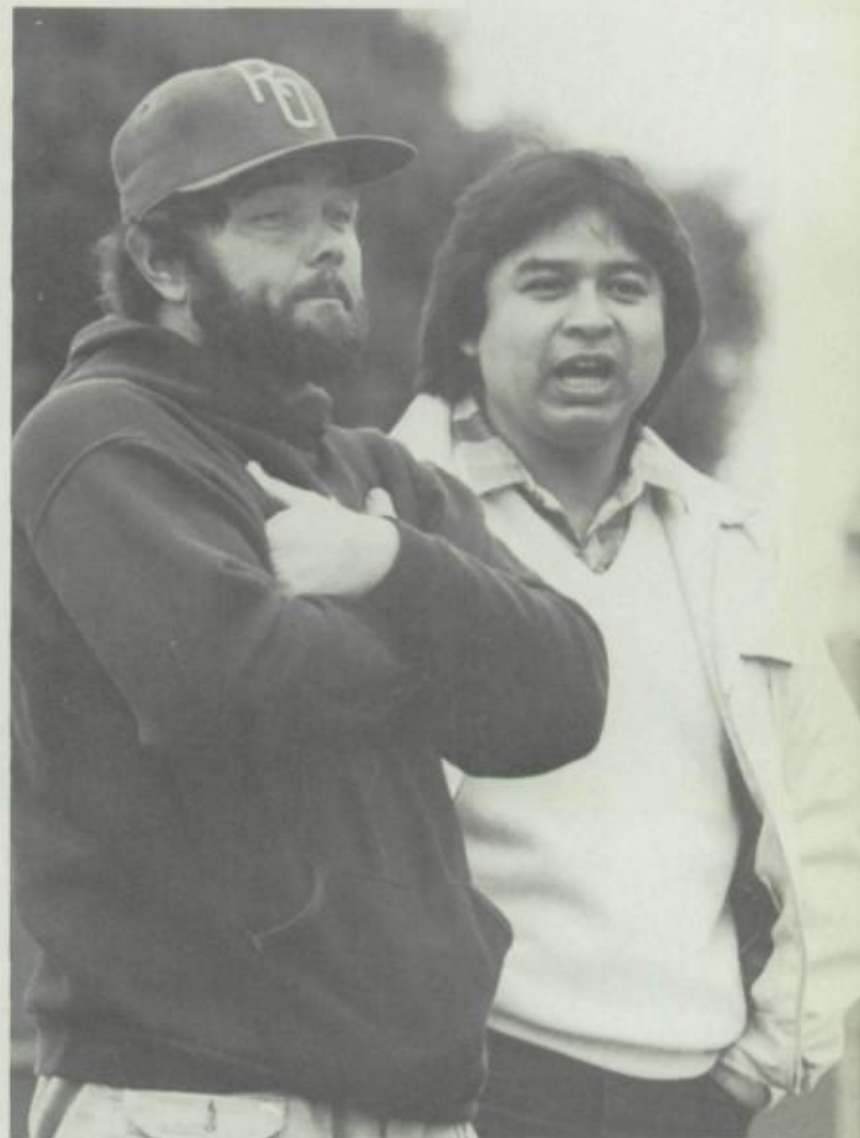

The team was undefeated in seven pre-season games. The highlight was winning a Saturday doubleheader against 4A school Glendora. The league will be a challenge. The teams we expect the most competition from are Gladstone, last year's second place finisher, Azusa and Charter Oak.

Leadership

Each school day, first period, the Leadership Class meets to discuss school problems, school activities, and extra-curricular activities.

The Leadership Class consists of an ASB President, ASB Vice-President, Secretary of Records, Secretary of Finance, Assistant Secretary of Finance, four class Presidents, four Senators from each class, and a school board representative.

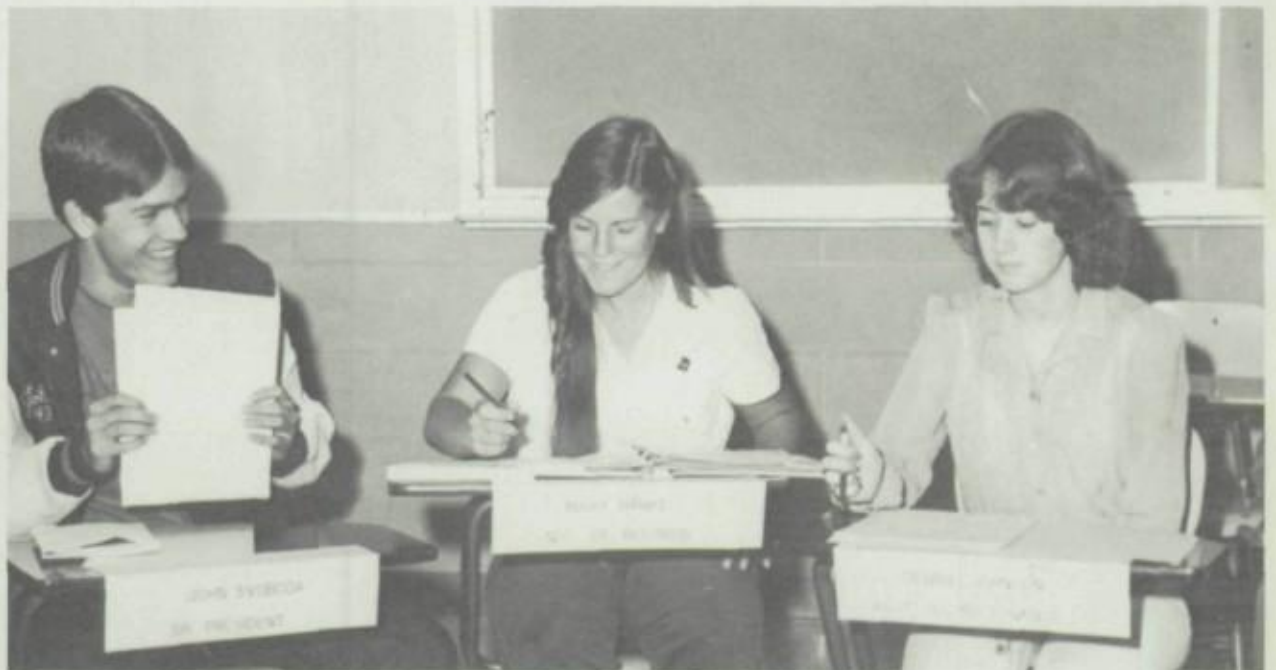

Every Tuesday and Thursday, the class has a business meeting to pass bills for school activities. The ASB Vice-President chairs the meetings and follows an agenda.

The class not only passes bills but also has school projects throughout the year. The school board representative attends the School Board meetings and reports back to Leadership on district activities.

Dr. William Brand, Advisor

The members of Leadership Class visited the San Dimas Golden Age Convalescent Home as one of their community involvement projects. Students and residents shared refreshments.

ASB President

One cannot make progress without taking at least a few risks. This year at Royal Oak we took a few risks, but school spirit at Royal Oak made terrific gains. We were not afraid to speak out and show our feelings. While we were cheering hard in the stands, playing hard on the field, dancing fast in the gym, or yelling loudly of pep rallies, we were having fun displaying spirit. Consequently, school spirit at Royal Oak has never been as high as it was this year.

This great school spirit was reflected in student government. The leadership class certainly disproved any beliefs that student government is a passive, acquiescent organization. We planned and executed many student oriented activities and community service projects. Together we worked, planned, studied, laughed; a few times we even squabbled among ourselves. However, we always acted in the best interest of Royal Oak High School. We became a highly cohesive unit that accomplished much. I hope this quality of our Student Government, as well as our tremendous school spirit, remains a tradition at Royal Oak High School.

Good Luck in the Future!
Bill Enger
President

ASB Vice-President

This year in leadership we set goals to help our school. In the past student apathy was a major concern. But as football season progressed, apathy disappeared. We also tried to communicate with the student body better than in recent years by having a monthly progress report by leadership. We also tried to get the clubs on campus more active to promote student body involvement.

Leadership's largest projects were the Homecoming, which took a month of planning, and the reinstatement of Spirit Days. As a class we also helped in convalescent homes, provided tutoring, and collected canned foods for needy families during the holidays.

This year the amount of leadership potential we had in Leadership Class was "awesome." Everyone worked well together and for each other. We tried to give the freshmen a good start on money-making projects.

Over-all this year has been a successful one for the Leadership Class, and I am glad to be a part of it.

Good Luck Next Year,

Brian Bristol

1980-'81 Emphyrean

A yearbook is more than a book of pictures. It is a record of the year, the history of a school, the lives of many people. A yearbook should present more than just the bare facts; it should show the good times, the hard times, and the very special times that happen every day in our school lives. This year's Emphyrean staff worked very hard to do this. With much pain and trouble, we tried to construct a book we feel accurately represents the school and every student. We are proud to be able to present this book to all of you.

CENTURION

Royal Oak High School

The Journalism class this year, composed of mostly seniors, required much perseverance, work, and responsibility from the students. When a deadline arrived, the student was expected to have his story typed and ready to turn in.

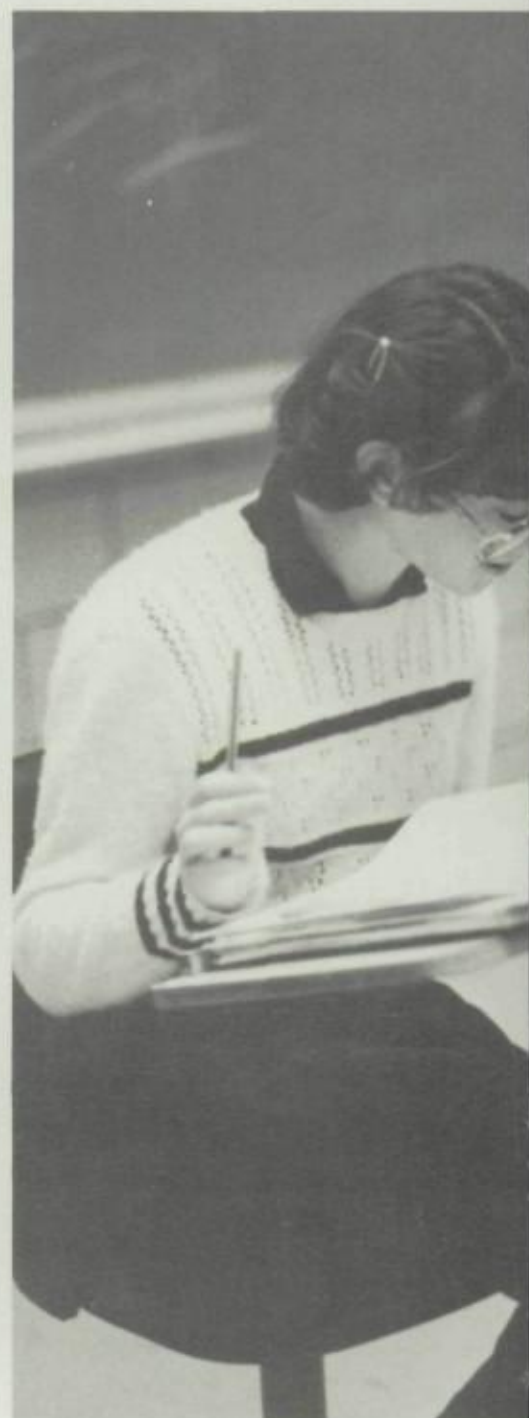

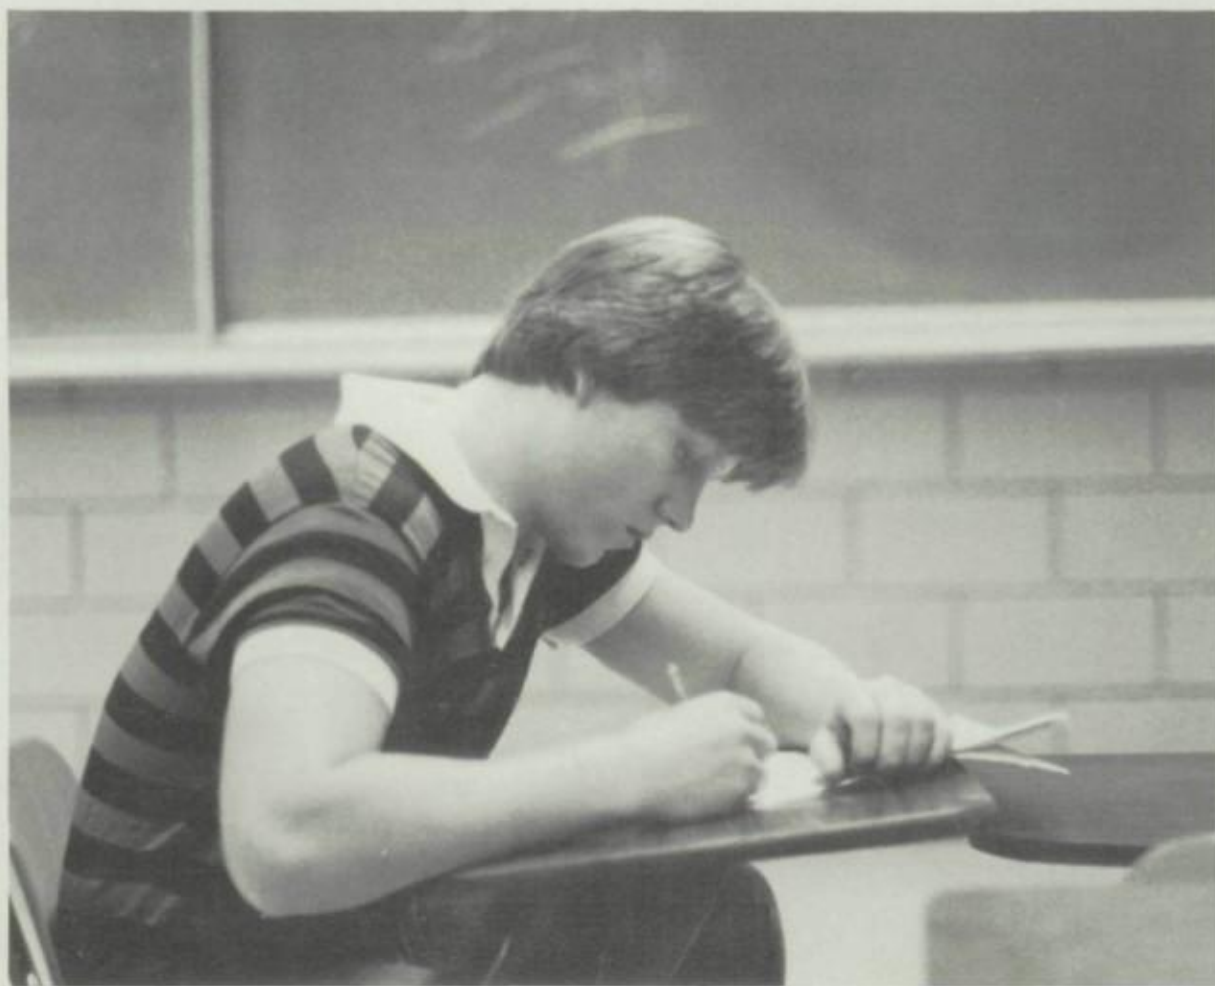

For the fifth consecutive year Pat Nixon has been the Journalism teacher. With her help and leadership, the Royal Oak school paper has entertained as well as made students think about what goes on in the school and in the world.

This year's Journalism class not only put out a monthly paper, but also extended themselves and put out a magazine. This magazine deals with various subjects ranging from star profiles to drug rehabilitation centers.

Editor Rawn Rhoades put in extra effort in putting this year's papers together. In addition to writing, Rawn arranged the various articles to fit on pages and was in charge of getting them printed. Rawn's extra effort this year was a main reason for the success of the school paper.

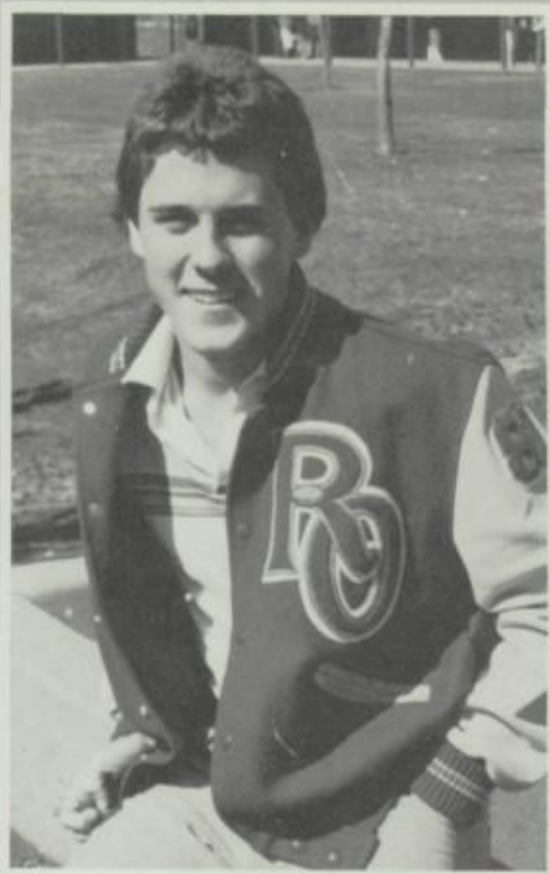

With the success of the paper and the Journalism class, students have another reason to be proud of Royal Oak High School.

Mr. R. A. Duvanich

Mr. R. A. Duvanich has been working for the Charter Oak School District since 1958. He began his career as a teacher for Charter Oak High School and made the transition from teacher to counselor to vice-principal in three years. He became principal of Charter Oak in 1962 and remained in that position for two years. In 1964, Mr. Duvanich left Charter Oak to help with the planning of Royal Oak. When Royal Oak was completed in 1965, Mr. Duvanich assumed the position of principal and has remained here for fifteen years.

Mr. Duvanich commented that although he will miss Royal Oak and working with the staff, he is looking forward to his retirement. He said, "Being a principal is a very time consuming job. You have to sacrifice many of the things you want to do." Mr. Duvanich feels that it is time for him and his wife to start enjoying their dreams.

Some of the dreams Mr. and Mrs. Duvanich plan to accomplish are working on the blue prints for a new home in Northern California and traveling. Mr. Duvanich said that he would especially like to travel through all of Northern California and visit New Zealand and Australia. Mr. Duvanich also looks forward to spending more time with his two and a half year old grandson, Zac.

by Jenny Van Frank

Mrs. Geri Vogt

Mrs. Geri Vogt has been working in the Charter Oak Unified School District for the past 22 years. Because her present job is so diversified she chose working at Royal Oak as her favorite position over working in the district personnel office and being the secretary of an assistant principal in the C. O. District.

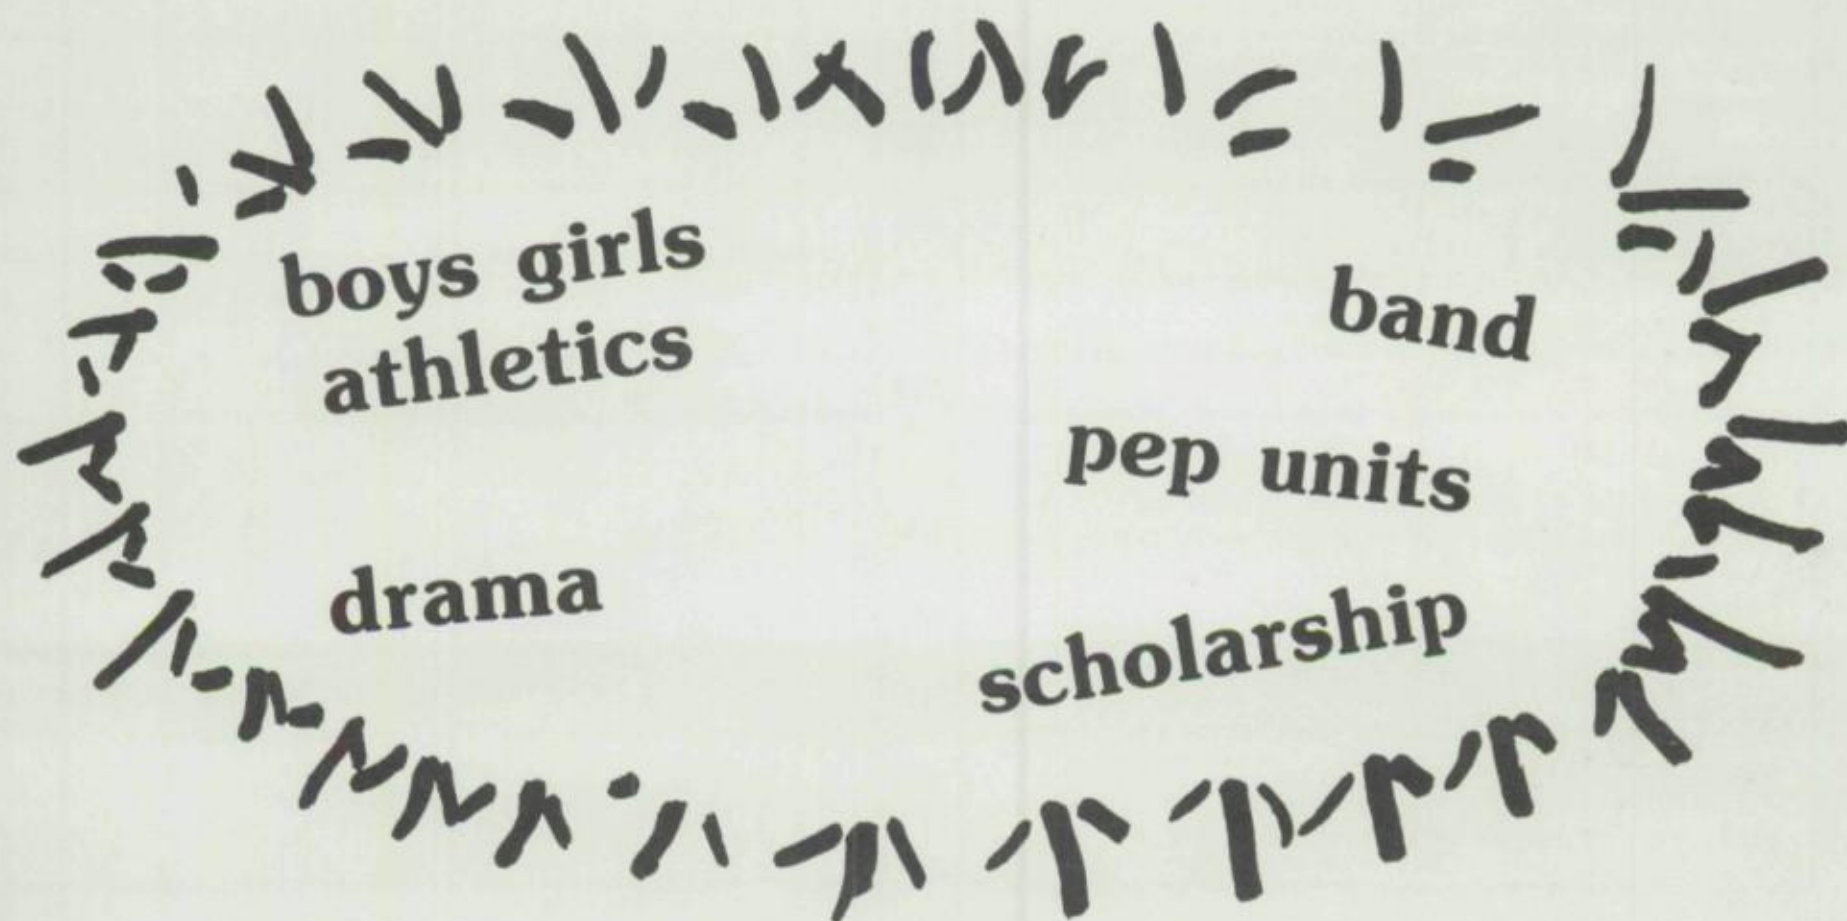

After her retirement, Mrs. Vogt would like to participate in volunteer work. She wants to help with the program for the elderly called "Meals on Wheels," which involves delivering meals to the elderly. She also hopes to do some reading for the blind. She thinks that she would also like to take golf lessons after her retirement so that she and her husband will be able to play the game.

Good Times Award Presented To Mike Harris

Many people with Muscular Dystrophy give up hope of setting goals and achieving them. Sophomore Mike Harris's hopes still run strong and he is ready to conquer any obstacle. Because of this attitude, Johnston's Yogurt Corporation presented the Good Times Award to Mike for making the best out of life.

Mike does not feel cheated or different because he has had Muscular Dystrophy since birth. Although some people treat him differently, most accept Mike for what he is—a regular high school student.

In the future, Mike would like to become a psychologist, so he can help others. His achievement in school and his drive to lead a "normal" life make this a realistic goal.

Mike Harris is a special person. His "can do" attitude is an inspiration to all Royal Oak students.

We opened our first restaurant many years ago in an abandoned farmhouse in a secluded Cucamonga vineyard. San Dimas is our 23rd location... far removed in many ways but you'll still find a touch of the rustic and a dash of the old California winery... expertly selected and excellently prepared beef, lobster and crab entrees... a bountiful salad bar... an interesting selection of reasonably priced California wines and really warm, enthusiastic service.

Gina,

I have to think of something witty and original to write. Ha. When I first came in to family living you were so impersonal to me, I couldn't stand it. Now, well, now it's all changed. I'm glad we've been friends for so long. I hope we keep in touch - not that we've ever talked on the phone but we should go to Balboa Island together sometime - ha - that would be fun. k and don't forget about Mike Kish and Seff Mosco - especially Giff. He so neat. ha, choke, cough. Well, now for our drab... You're a very sweet girl - sometimes sour (ha) and your very cute - (now silly) but seriously I wish you the best in life and good luck always with whatever your future plans are. Don't forget about me. okay!
